

UPFRONT MUSIC & SUPPER NIGHTS

SUNDAY 20th JUNE AT 8PM

“The Jilly Jarman Quintet”

Ella Jarman-Pinto - voice
Geoff Bartholomew - trumpet
Jilly Jarman - voice & piano
Rob Steels - bass
Jack Davies – drums

Tonight the quintet features two young guest soloists from London for a set of jazz standards from Fats Waller through to Coltrane and beyond. Jilly's arrangements make full use of two vocalists who cover the range from pure high scat to low blues emotion, an up and coming trumpeter in demand for his cool soloing technique and a fast swing through to jazz fusion-spiced vibe from Cumbrian bass and drummer, Rob and Jack.
